<p>This calendar has assignments with specific due dates. In addition to the assignments listed on the calendar, you must teach all day for 20 days that are not necessarily consecutive. While your cooperating teacher cannot be involved in teaching your edTPA learning segment beyond videotaping you, we strongly encourage you and cooperating teacher to use a co-teaching model. However, when you are observed by your supervising teacher, we would like you to be the sole teacher. Your cooperating teacher can be in the room, but no involvement when you are observed. You will be co-teaching with your cooperating teacher, but your involvement will be increased throughout the semester. Additional information is in the Clinical Practice Handbook in Scholar.</p>
