Feedback Report

Technical Assistance

Explain questions and requests for additional evidence from the site team.

Addendum

EPP uploads additional evidence in the addendum section of PRS II

Site Team

Team reviews addendum before going onsite.

Onsite Continuing Approval Reviews

The site team visits the EPP to conduct interviews and triangulate evidence.

Goal

Continuous Improvement

For Group Reviews – The EPP responds to review team requests for additional information and provides the opportunity for interviews if needed.

Logistics

Site Visitors are Volunteers.

The EPP provides a detailed schedule for the visit including interview times, room numbers, and people
