#TakeTeachingByStorm

#TakeTomorrowByStorm

HOW GSW IS CREATING POWERFUL, MUTUALLY BENEFICIAL PARTNERSHIPS TO ENHANCE THE EDUCATION PROGRAM

Topics of Discussion:

- Collaborative discussions with partner schools
- Implementation of Educators Rising to recruit teacher candidates

Who will be the **NEXT**
GENERATION

_____ of **teachers** _____

we are all counting on to
educate and empower
students?

SUPERINTENDENT ADVISORY COUNCIL

- Meetings are held twice each year with superintendents or designees
- Data Discussions
- Partners are able to discuss potential areas of improvement for the GSW education program
 - Need for Secondary Education programs with a focus on pedagogy
 - Paid Student Teacher Internships
 - Teacher Recruitment

60%

20 MILES

Over 60% of teachers work within 20 miles of where they attended high school. The future teaching workforces of every community are sitting on the student side of the desks **today. Starting early and growing our own is a must for every community.**

THERE'S POWER IN TEACHING

Mission: Educators Rising cultivates highly skilled educators by guiding young people on a path to becoming accomplished teachers, beginning in high school and extending through college and into the profession.

Vision: Every teacher in America has the skills and experience to help all students achieve their potential.
