Discussion:

It is proposed that GaPSC Rule 505-2-.26 CERTIFICATION AND LICENSURE ASSESSMENTS, dated July 1, 2019, be RESCINDED and a new rule with the same number and title be INITIATED to update the Georgia Educator Ethics – Program Exit Assessment requirements and replace Induction Pathway 4 language with Provisional.

(1) Summary: This rule outlines specific assessment requirements for obtaining certification. The Georgia Professional Standards Commission (GaPSC) administers through a testing supplier educator assessments required for certification. As of September 1, 2006, the Georgia Assessments for the Certification of Educators™ (GACE) is the state-approved educator certification assessment program in Georgia. GACE assessments include Program Admission, Content, Standards-based assessment of knowledge of the Georgia Code of Ethics for Educators and Paraprofessional assessments. All GACE assessments are aligned with state-approved educator preparation program standards, national standards, and the state standards for the P-12 curriculum. Information about the GACE program is available at www.gapsc.com. In addition to the GACE, there are other state-accepted content assessments for certain foreign language and career and technical specializations.

(2) Program Admission Assessment.

(a) The GACE Program Admission assessment measures an individual's general knowledge in the areas of reading, mathematics, and writing at a competency level to be successful in an educator preparation program (EPP);

(b) The following individuals are required to either pass or exempt the GACE Program Admission assessment:

1. Candidates seeking admission to a GaPSC-approved educator preparation program. Verification of this requirement is the responsibility of the EPP and is documented on the Georgia Approved Program Completion form used to verify program completion. Documentation of any exemption must also be provided to the GaPSC upon application for Pre-Service certification;
2. Individuals seeking Provisional certification;
3. Individuals seeking the service field of School Social Work (See GaPSC Rules [505-2-.147 SCHOOL SOCIAL WORK](#)); and
4. Initial permit holders applying for an extension, with the exception of JROTC Permit holders; and
5. Individuals seeking an Induction Teaching or Service field through completion of a GaPSC-accepted program.

(c) Individuals holding a Military Support Provisional certificate must attempt the assessment during the first semester of enrollment in a GaPSC-accepted certification program and pass the assessment prior to issuance of the Year Three (3) Provisional certificate.

(d) Information regarding the Program Admission Requirement and exemption criteria can be accessed at <http://www.gapsc.com/EducatorPreparation/Assessment/BasicSkillsInfo.aspx>.

(3) Content Assessment.

(a) GACE content assessments test knowledge in a variety of content areas as required for certification. GACE content assessments have two passing levels: Induction and Professional. All passing scores earned on GACE assessments will be treated as Professional level scores for certification purposes even if the official score report reflects an Induction level score. Information on the content assessments required for Georgia certification may be accessed at www.gapsc.com;

(b) The following individuals are required to pass the GACE content assessment for the desired certification field:

1. Individuals seeking a Provisional certificate;
 - (i) For Special Education fields, the pre-requisite is the special education academic content concentration(s), which must be met by passing the appropriate academic content assessment(s). Individuals enrolled in GaTAPP have the option of verifying an academic content concentration if approved by the GaTAPP provider. The appropriate Special Education field assessment must then be completed before conversion to a Professional
 - (ii) Individuals holding the Military Support Provisional certificate must pass the GACE content assessment(s) prior to issuance of the Year Two (2) Provisional certificate;
2. Individuals seeking an initial permit in a foreign language field;
3. Georgia Pre-Service certificate holders applying for an Induction certificate;
 - (i) Educators holding the Military Support Standard Professional certificate must pass the GACE content assessment(s) within the validity period of the initial certificate or prior to renewal;
 - (ii) A one (1)-year Induction certificate may be issued at the request of an employing Georgia LUA to individuals applying for initial certification based on completion of a GaPSC-accepted program who must satisfy the content assessment.
4. Georgia Professional or Induction certificate holders applying to add a certification field;
5. Individuals applying for initial Professional or Induction certification in Georgia based on reciprocity;
 - (i) These individuals may exempt the content assessment requirement by meeting the exemption criteria outlined in section (11)(a) below;
 - (ii) A one (1)-year Non-Renewable Professional or one (1)-year Induction certificate may be issued at the request of an employing Georgia LUA to individuals applying for initial certification based on reciprocity who must satisfy the content assessment.
6. Georgia educators who complete out-of-state programs leading to certification must pass the GACE content assessment; these educators shall not be eligible for the exemption outlined in section (11)(a) below, even upon submission of an out-of-state professional certificate;

7. Individuals seeking to extend an initial permit in the fields of Art, Music, Engineering & Technology and Superintendent;
8. Individuals seeking an Adjunct license must pass the appropriate GACE content assessment(s) for the field(s) being taught or hold the appropriate professional licensure for the profession or field of instructional experience; and
9. Individuals seeking an initial professional Service field.

(c) For fields in which there is no GACE assessment available, the GaPSC may designate other state-approved certification exams. The Praxis exam is the Georgia state-approved content assessment for the field of Speech and Language Pathology, and the proficiency exams offered by the American Council on the Teaching of Foreign Languages (ACTFL), detailed in section (9) below, are the Georgia state-approved content assessments for foreign language fields in which there is no GACE exam available.

(d) Georgia does not have a content assessment for the fields of Audiology, Dance, Drama, School Nutrition Director, School Social Work, Speech, Physical and Health Disabilities, Special Education Preschool, Visual Impairment, and some foreign language fields. (6) Paraprofessional Assessment.

(a) The GACE assessment for paraprofessionals in Georgia covers four (4) areas: reading, writing, mathematics and classroom skills. The Paraprofessional assessment is designed to enable individuals and school districts to satisfy state and federal No Child Left Behind requirements that call for "highly qualified paraprofessionals" in a P-12 setting. These requirements indicate that paraprofessionals working in Title I schools or paid with Title I funds must meet a rigorous standard of quality and demonstrate, through formal state or local assessment, knowledge of and ability to assist in instructing, reading, writing, and mathematics; or knowledge of and ability to assist in instructing, reading readiness, writing readiness, and

mathematics readiness, as appropriate.

(b) Passing the GACE Paraprofessional assessment, in combination with a high school diploma or GED equivalent, is one of the options available to qualify for a Paraprofessional Certificate. (See GaPSC Rule [505-2-.18 PARAPROFESSIONAL CERTIFICATE](#)).

(7) Educational Leadership Assessment.

(9) Foreign Language Assessment.

(a) A GACE assessment is not available for certain foreign language fields. For these fields, the GaPSC requires The American Council on the Teaching of Foreign Languages (ACTFL) Oral Proficiency Interview (OPI) and Written Proficiency Test (WPT). If the OPI and WPT are passed for fields that have a GACE content assessment for issuance of a Permit, the GACE content assessment must be passed at the Induction level or higher for conversion of a Permit to an Induction or Professional certificate.

(b) The American Council on the Teaching of Foreign Languages (ACTFL) foreign language assessments are considered appropriate content assessments for adding a new foreign language teaching field in fields for which there is no Georgia Assessment for the Certification of Educators (GACE). ACTFL offers nationally-accepted oral and written language assessments known as the Oral Proficiency Interview (OPI) and Writing Proficiency Test (WPT). These assessments are approved in Georgia for permits and for language certificates for which no other Georgia content assessment has been developed. Conduct of the OPI and WPT, which must be administered by a certified examiner from ACTFL, is arranged and coordinated by Language Testing International. The validation of passing levels of proficiency is the responsibility of the applicant and the employing LUA. Contact information for scheduling the ACTFL is available at <http://www.languagetesting.com/academic-services>.

(c) The GaPSC-accepted assessments for foreign language fields are as follows:

The GACE Educational Leadership assessment is required for educators completing Educational Leadership programs [See 7(a) and 7(b)].
4. The School Leaders Licensure Assessment:
 - (i) The GaPSC accepts passing scores on the Praxis School Leaders Licensure Assessment (Test 1010) taken on or after July 1, 2005, through March 15, 2008.
5. Georgia Paraprofessional Assessment:
 - (i) The Georgia Paraprofessional Assessment was administered July 2002 and November 2002, and was replaced by the Praxis Paraprofessional Assessment and later with the GACE Paraprofessional assessment.

(13) Duplicate Score Reports.

- (a) The GaPSC, as a courtesy to the state's educators, can provide certain official test score information for those assessments whose scores are otherwise not retrievable. The GaPSC does not charge for the retrieval, validation, or mailing of the score. Complete information on how to request test
