

505-2-.26 CERTIFICATION AND LICENSURE ASSESSMENTS

(1) Summary: This rule outlines specific assessment requirements for obtaining certification. The Georgia Professional Standards Commission (GaPSC) administers through a testing supplier educator assessments required for certification. As of September 1, 2006, the Georgia Assessments for the Certification of Educators™ (GACE) is the state-approved educator certification assessment program in Georgia. GACE assessments include Program Admission, Content, Standards-based assessment of knowledge of the Georgia Code of Ethics for Educators and Paraprofessional assessments. All GACE assessments are aligned with state-approved educator preparation program standards, national standards, and the state standards for the P-12 curriculum. Information about the GACE program is available at www.gapsc.com. In addition to the GACE, there are other state-accepted content assessments for certain foreign language and career and technical specializations.

(2) Program Admission Assessment.

Verification of this requirement is the responsibility of the Educator Preparation Provider (EPP) and is documented electronically by the provider in the Traditional Program Management System (TPMS) or on the Georgia Approved Program Completion form used to verify program completion. Documentation of any exemption must also be provided to the GaPSC upon application for Pre-Service certification.
