

505-3-.05 GEORGIA TEACHER ACADEMY FOR PREPARATION AND PEDAGOGY (GaTAPP)

(1) Purpose. This rule states specific content standards and requirements for approving non-traditional preparation programs designed for the initial preparation of transition teachers and supplements requirements in Rule 505-3-.01, STANDARDS FOR APPROVING EDUCATOR PREPARATION PROVIDERS AND EDUCATOR PREPARATION PROGRAMS, Rule 505-3-.02, EDUCATOR PREPARATION PROVIDER ANNUAL REPORTING AND EVALUATION, and Certification Rules 505-2-.01 GEORGIA EDUCATOR CERTIFICATION, 505-2-.04, INDUCTION, and 505-2-.05, PROFESSIONAL. This rule also states specific content standards and requirements for approving non-traditional preparation programs that prepare professionally certified teachers to teach any subject in grades P-5. Field Specific requirements for the Elementary Education Certification-only Program through GaTAPP (grades P-5) are described in paragraph (6) FIELD SPECIFIC REQUIREMENTS. This extension to the GaTAPP rule supplements the requirements in rule [505-3-.14 ELEMENTARY EDUCATION \(P-5\) PROGRAM](#).

(2) Definitions.

(a) Academic Year (One): Consists of two (2) full semesters, one of which must include the beginning of a school year.

(b) Candidate Support Team (CST): A team of school-based leaders, mentors, Educator Preparation Provider (EPP) supervisors, and content specialists who monitor, assess, and coach candidates using performance assessment data to improve teaching performance in order to improve student learning;

(c) Coaching: Assisting candidates in transferring knowledge, skills, and understandings in the GaTAPP program into professional practice.

(d) Clinical Practice/Field Experiences:

1. Clinical Practice: Candidates are immersed in the learning community and provided opportunities to develop and demonstrate competence in the professional roles for which they are preparing while supported by the Candidate Support Team. The job-embedded, hands-on experiences provide candidates with an intensive and extensive opportunity to be monitored, assessed, and coached. Performance assessment data from these experiences inform the Individualized Induction Plan/ Professional Learning Plan.

2. Field Experiences: Various early and ongoing field-based opportunities, in which candidates may observe, assist, tutor, instruct, and/or conduct research. Field experiences occur outside the candidate's classroom in settings such as schools, community centers, or homeless shelters.

(e) Dispositions: Moral commitments and professional attitudes, values, and beliefs that underlie educator performance and are demonstrated through both verbal and non-verbal behaviors as educators interact with students, families, colleagues, and communities.

(f) Elementary Education Certification-only Program: A one year supervised program administered through GaTAPP to prepare teachers with Professional teaching certification in any field issued by the GaPSC with the knowledge, skills, and dispositions to teach all subjects in grades P-5. This program requires an induction component that includes coaching and elementary pedagogical and content instruction for one full academic year. This program does not lead to a degree or college credit.

(g) Highly Qualified Status: Although no longer a federal mandate, candidates admitted into GaTAPP programs have a minimum of a bachelor's degree, Georgia induction teacher certification, and verified content knowledge in the subjects they teach. Candidates seeking certification in non-core academic

teaching fields are not required to meet “highly qualified requirements” and must complete the program to receive the Professional certificate by the end of the Induction certificate validity period.

(h) Individual Induction Plan (IIP): A dynamic plan of action to improve candidate performance collaboratively developed by the CST and the candidate based on performance assessment data. The IIP will be used by the mentor/supervisor to coach the candidate in the twenty-four (24) competencies and dispositions delineated in this rule (also known as a Professional Learning Plan).

(i) Induction: A period of time (frequently up to three years) when educators are new to a teaching or leader position or new to the state, a school, or a school district. The State Induction Guidance Documents provide a framework for how school districts and their partners will structure a system of support for the novice teacher and new leader in their first years of service. In GaTAPP, Induction is the first three years as a newly employed classroom teacher who must receive mentoring/ coaching from the Candidate Support Team throughout the induction period.

(j) Non-traditional Preparation: Post-baccalaureate programs designed for individuals who did not prepare as educators during their undergraduate studies. These preparation programs, designed to lead to an Educator Preparation Provider’s recommendation for certification but not a degree, often accommodate the schedules of adults and recognize their earlier academic preparation and life experiences. In most instances, candidates are employed as educators while enrolled. An example is the Georgia Teacher Academy for Preparation and Pedagogy (GaTAPP) where employment is required for enrollment.

(k) Regionally Accredited: a process for assessing and enhancing academic and educational quality through voluntary peer review by a regionally accepted accrediting body to ensure the school district is meeting its standards of educational quality.

(l) Special Education Consultative Teacher: A Special Education teacher who works collaboratively with a content area teacher of record in all content and is not responsible for final scores for students. Candidates in the GaTAPP program are required to develop unit and/or lesson plans based on the Georgia state-approved P-12 performance standards in an academic content area(s) of concentration and to implement those plans in the classroom.

(m) Special Education Teacher of Record: A Special Education teacher who is responsible for the curriculum, instruction, assessment, and record maintenance for the P-12 learner in any of the five academic content concentrations, regular or remedial.

(n) Transition teachers: Individuals who wish to transition into teaching from another career path, did not complete a teacher education program, and who have never held a professional teaching certificate in any state or country.
