VIII. EXECUTIVE SECRETARY REPORT

5/19/2005

Page 12

A. Fort Valley State University - Dr. Toth discussed the current situation at Fort Valley State University. He spoke with Chancellor Thomas Meredith. The Chancellor would like to charge a team to identify the strengths of Fort Valley and identify the teacher needs in Georgia. He wants Fort Valley's programs to be narrowly focused and not broadly based. Once the programs are identified and the curriculum developed he would like to hire qualified faculty for the programs beginning in the fall of 2007.

The Commission asked Dr. Toth to relay two concerns to the Chancellor. 1. That the students currently enrolled in the program, regardless of the number, get some quality advising and are told that they must finish by Spring, 2006, if they are to get certified. 2. The Education Faculty should not take all the blame for the poor Praxis Assessment results. The content that these teachers were lacking was supposed to be taught by the math, science, history, and English professors.

MOTION: (Hart / West) To support Chancellor Thomas Meredith's plan to appoint a team with PSC representation if we choose, to recommend an education program for Fort Valley State University.

ACTION: Approved

B. Dr. Toth mentioned that Dr. Wanda West appeared in the magazine Business to Business in an article titled, "Bending Twiggs: Is Twiggs County the model for turnaround?" and shared the magazine with the other commissioners.

C. Educator Preparation Rules 505-3

MOTION: (Muns / West) To initiate Educator Preparation rules 505-3.

ACTION: Approved

D. Certification Rules 505-2

MOTION: (Muns / West) To initiate Certification rules 505-2. as presented in the packet with three modifications: 1) Add 505-2-.75 to the list of rescinded rules. 2) Modify the language of rule 505-2-.111 as discussed. 3) Substitute a new 505-2-.20 as distributed.

ACTION: Approved

E. Dr. Toth handed out various test registration bulletins and study guides from National Evaluation Systems. PSC is under contract with Educational Testing Services (ETS) to administer the Praxis tests to our educators. ETS has not been very effective in working with us to improve these tests. National Evaluations Systems has agreed to work with us to align the tests with the new Georgia performance standards. The PSC will not have to pay fees if we choose to no longer use them.

MOTION: (Robinson / West) To authorize the Executive Secretary to enter into a contract negotiations with the National Evaluations Systems to develop educator certification tests aligned with the curriculum for Georgia's schools and bring a contract back to the Commission for approval.

ACTION: Approved
