3. This year marks the 12th year of certification outreach and it is always eagerly awaited by school districts, RESA, and college personnel. Certification conducts virtual outreach training yearly throughout the state, typically in March and April. Recently, a survey was sent to HR and certification officials with school systems, RESAs, & colleges, as the division always requests input and suggestions on outreach topics. Based on the majority of responses received, there seems to be an overwhelming need to go back to the basics. This year outreach will focus on reviewing the various certificate types, eligibility requirements for each certificate, necessary documentation, and best practices for identifying eligible candidates and submitting documentation. This will be a great refresher for seasoned certification officials, while also offering an opportunity to introduce newer officials to the certification rules, policies, and procedures.

4. Our 4th Quarterly Highlight was emailed to you on Tuesday. This was sent to school Superintendents, Deans of Colleges of Education, RESAs, and all of our other colleagues. It has been almost 2 years since we started this publication. It was initiated during the pandemic as a way to enhance our communication with our colleagues and includes policy decisions, enhancement initiatives, structures of support, and more. After the Quarterly Highlight, we initiated the GaPSC Connection which is more like a newsletter and is published when we have more immediate information to share. I hope that you find these publications useful. I would like to thank Anne Marie Fenton for her work on these publications. She has done an excellent job on communicating to our colleagues the work that we do.

VI. CHAIR REPORT

Chair Sirmans welcomed Ashok Deb to the GaPSC. He also thanked Anne Marie for her work on the various modes of communication that GaPSC uses. He said, “You shared a really bright light on what we are doing at the GaPSC. We’re not just another bureaucratic agency. We are actually here to help people to help teachers to help others and the newsletter does an excellent job of expressing the good work that we are doing.”

VII. RULES PREVIEW

Anne Marie Fenton announced that we would be previewing proposed Certification rule amendments. The proposed rules will come before Commissioners for initiation consideration at the March 10, 2022, meeting, and if initiated, will come back to Commissioners for adoption consideration at the May 12th meeting, and if adopted will become effective July 1, 2022. Since we are only previewing rules today, a vote will not be necessary. Windy Fortenberry spoke briefly about the rules listed below:

505-2-.03 PRE-SERVICE TEACHING CERTIFICATE

It is proposed that GaPSC Rule 505-2-.03 PRE-SERVICE TEACHING CERTIFICATE, dated July 1, 2020, be AMENDED to update the application procedures for a Pre-Service certificate and update title of a linked rule.
